

There are no words to express how all of us feel. I won't even try. My heart is breaking for our beautiful community.

We send our profound gratitude to the first responders from Kendall, Kerr, and all the other counties and agencies who heeded the call to help our community in one of its greatest hours of need.

If you are looking for a way to help aid in recovery efforts, please consider a donation to one of several community organizations raising funds for relief. You can find a list of them [here](#).

We encourage Kendall County residents to sign up to receive local emergency alerts. You can sign up on the Kendall County website [here](https://www.kendallcountytexas.gov/List.aspx).

<https://www.kendallcountytexas.gov/List.aspx> The City of Boerne also has a notification system; sign up at <https://www.ci.boerne.tx.us/list.aspx>

Now we need to keep in our hearts the other communities and counties that will experience the torrent of flood waters headed down the Guadalupe. Also keep in your hearts the families that lost loved ones, are still waiting to hear, or have lost property.

Texans always show up for one another. Let's all stand together in this tragic time of need.

Please stay safe.
